Questions?

Order Form

WiFi – wireless internet

You will find further information at section 3.1.3, 5.9.4, 7.1.3 of the Technical Guidelines

Deadline

06/02/18

B 34
GB

2018

Info!

For best performance we advise you to use a device with 5 Ghz wifi support. Only then we can ensure a good connection. We offer two networks, HOTSPOT and HOTSPOT-2.4, to connect to. When you are able to see the network HOTSPOT your device is fitted with 5GHz Wi-Fi.

Hall/Stand number

HOTSPOT – WiFi Voucher for single users

These differing time rates enable you to have access to the Internet for the chosen amount of time. Minutevouchers can be used once or several times within the period of 30 days. A Day-access is always cashed up once per calendar day. The day of the first activation can be chosen freely. The speeds are max. 2 Mbit/s downstream and 1 Mbit/s upstream. The amount of data is unlimited.

Table with 2 columns: Versions, Quantity. Rows: 1 h - 6.00 €, 4 h - 19.00 €, 1 day - 29.00 €, 3 days - 66.00 €

Important information for vouchers:

- Every code can only be used on one terminal device simultaneously!
Wi-Fi vouchers cannot be returned.
Wi-Fi vouchers are not send, they have to be collected at our office on the exhibition site.

Business-HOTSPOT – group accounts

New in 2018! – Our starter products as an alternative to a DSL connection with an access point. Included is the usage of our modern Wi-Fi infrastructure and the advantage of not having to install anything!

The connection is preferably done by using the Wi-Fi network „Business-HOTSPOT“ or „Business-HOTSPOT-2.4“, if your terminal device does not support 5 Ghz. We can not guarantee the internet speed for 2.4 Ghz bands. Login is established through radius authentication (WPA2-Enterprise) with the user Name and password. All clients can communicate with each other, while the connection is encrypted. For that please accept our SSL certificate. Login-data for group-accounts are sent via e-mail together with the order confirmation.

Table with 4 columns: Max. Users (simultaneously), Bandwidth of Wi-Fi group, Price in € plus VAT per fair-day, Quantity days. Rows: Group with max 10 logins, Group with max 25 logins, Group with max 50 logins, Group with max 100 logins

You need more bandwidth, more users, a LAN connection or your own SSID? -> Take a look at form B35!

Order online! https://www.oos.messe-duesseldorf.de > Order Forms > Trade Fair Stand
The Messe Düsseldorf Terms and Conditions of Sales and the Technical Guidelines shall apply to the telecommunication and internet services provided by Messe Düsseldorf.
